### MINI EXTENDED SERVICE CONTRACTS

2. Coverage may be extended up to 7 years/100,000 miles from the original vehicle in-service date (whichever comes first). For new or used MINI the three coverage level options (Platinum, Gold Powertrain) are available if your vehicle is under the MINI New Vehicle Limited Warranty at the time of vehicle enrollment. For MINI Certified Pre-Owned vehicles, your coverage option is Platinum if your vehicle is under the MINI CPO Protection Plan at the time of vehicle enrollment. Please check with your dealer regarding eligibility requirements.

3. For example, if the new vehicle sales date was 6/12/2016 and you purchase a 6-year/100,000-mile term, your coverage under this program will expire on 6/11/2022 or when the reading on your odometer reaches 100,000, whichever comes first – regardless of the contract purchase date or mileage at the contract purchase date.
